Past Events, Projects, & Activities

We have reviewed and approved some recommendations from Sponsorship and Donations Committee and approved the Minutes from EB20-07 that took place on August 21, 2020.

Current Challenges

For all EB meetings I believe a current challenge is adjusting from the summer schedule of meetings which only took place bi-weekly and now occur weekly. Also taking into account the new meeting time which is every Thursday from 1-3pm.

Successes

A current success is introducing Ryan Tse as the new VP Education and having him sit on his first EB meeting last Thursday September 17th. I know we are all excited to work with him this year and excited to see all he will accomplish. Another accomplishment is transitioning from summer to fall meeting schedules.

Other

Looking forward to working with the EB members for the rest of our terms.

Best,
