Progress on Year plan

Providing support for back to campus transition

- Getting in touch with different services to create our resource packages

MSU Governance Transparency & Student Body Engagement

- Creating a marketing schedule and posts for our social media account

Mental Health Support

- Starting our initial research to understand our mental health services and ways to increase accessibility

Humanities Program Spotlight

- We are reaching out to all Humanities society representatives to initiate a collaborate on the program spotlight

Humanities Podcast Initiative

- Brainstorming topics and logistics of the podcast

Promoting intra-faculty relationship

- Aiming to arrange a Humanities wide meeting to discuss how we can better support one another

Promoting humanities interdisciplinary education

- Reviewing the feasibility of an interdisciplinary research course within humanities

Sustainable McMaster campus

- Starting our initial research to understand campus sustainability

Past Events, Projects, & Activities

N/A; Excited for the new school year!

Upcoming Events, Projects, & Activities

Our full team has decided to join Vikita for the menstrual product accessibility initiative!

We have current launched a case for constituents about course funding within the humanities faculty; we will keep the assembly posted as actions arise.

Outreach & Promotions

We are developing social media strategy to expand our reach; we will start with a sra member introduction and our meeting recap series!

Successes

We will host office hour on Wednesdays 1-2pm!

Current Challenges

Reaching out to first year students through social media.

Volunteers (Standing Committees only)
