SUBJECT: SRA 21L Report

### **Reports from MSU services and organizations**

Since the reports were due for the last SRA meeting there have been three Executive Board meetings where the group received reports from SHEC, WGEN, EFRT, Spark, Diversity Services, FCC, FYC, Macademics, Maccess, and the Maroons. It's been great to hear from directors and representatives from each group to better understand how returning to campus will impact both their ability to support students but also influence their budgets and need for physical spaces.

### **Committees and ongoing businesses**

At the Executive Board meeting on November 24, the recommendation from the Sponsorship and Donations Committee was presented as a memo to support Empowerment Squared McMaster for \$500 but deny applications from DECA McMaster, HOSA McMaster, and the Arts and Science Musical. Should the recommendation be approved, the fund will sit at \$9,500.

A Food and Beverage Review update was also presented to the Executive Board with financial performance from 2016/17 to the proposed 2021/22 budget demonstrated along with comparisons from institutions like Brock, Western, and Seneca, as well as the Phoenix.

### **Current challenges**

Planning for January is hard for services, business units, and all campus groups so there's a lot of uncertainty which can be hard to mediate!
