## **Progress on Yearplan**

Currently, the MA committee is in the process of releasing the Your City Survey, MA Budget Recommendations, Lobbying and Preparing for an event with the Hamilton Community Legal Clinic to discuss tenants rights.

## **Past Events, Projects, & Activities**

Since last report, We've worked on the City of Hamilton Youth Strategy review and policy write. Next, we've been involved in the lobbying efforts of the Hamilton Transit Alliance and getting our voice heard. Finally personally and a few other MA committee members delegated to OUSA.

## **Upcoming Events, Projects, & Activities**

We are currently working on the event with the Hamilton Community Legal Clinic, where we will discuss tenants right, the tenant land lord board review process, and other tenants related issues.

## **Outreach & Promotions**

We are currently working with Kiran (Campaigns at Education Team) on social media. We have an entire plan laid out for the your city survey.

## **Successes**

Urban Boundary Expansion failed (we were not very involved in it but we did observe), there are talks at city for funding to reduce racism, improvements to the HSR, and the city is also bringing up many interesting policies to council soon. The budget is in the review process, and the your city survey rough draft is complete.

## **Current Challenges**

N/A

## **Volunteers (Standing Committees only)**

With exams coming up everyone is at low capacity but we will continue to work hard as we can.
