 - Finalized the schedule for the posts to be made to our socials throughout the year
- Promoting Intra-faculty Relationships
 - Attempted to meet with the MSSS President to go over how the SRA Social Sciences Caucus and the MSSS can help one another with each our year plans, but was unable to follow through with this as MSSS cancelled our scheduled meeting
 - Will attempt to reschedule another meeting with the MSSS
- Discord Server
 - Prepared to launch the Discord Server for all Social Sciences students in the upcoming semester
 - Will begin promotion of the Discord Server two weeks prior to the start of the winter semester
- Support Indigenous Communities
 - Attended an Indigenous studies seminar that allowed for our members to educate themselves greater about the history of residential schools
 - Sought out additional resources that allowed for us to compile a handful of sources to circulate with the social science community

Past Events, Projects, & Activities

- Attended the MSSS bi-annual GM to form a relationship with the society and the executive team

Upcoming Events, Projects, & Activities
