**ADOPT AGENDA**

**Moved** by Johnston, **seconded** by Au-Yeung to adopt the agenda as presented.

**Motion Passes by General Consent**

**1. To approve the 2020-2021 Capital and Operating Budgets**

**Moved** by Johnston, **seconded** by Singh that the Full Members of the Corporation approve the 2020-2021 Capital and Operating Budgets as circulated and presented

- Johnston went over the budget with the Assembly.
- De Silva asked what the Maroons budget would be for the upcoming year.
- Johnston responded that it was an overall investment of \$14,000.
- Marando reminded the members that the budget was on the SRA documents page and was summarized from there.
- Singh asked about Union Market and stated that they were under the impression that there were losing money but the budget had them making a profit.
- Johnston responded that UM does generate some revenue, but not a lot. They explained that as a service it does generate a profit
- Au-Yeung asked about the MSU exec volunteer rec fund.
- Johnston responded that this was used for Student Recognition night, which is why the budget is higher than other service appreciation budgets.
- Dahab asked if the investigation was complete for the Maroons, and asked why they were receiving \$14,000. They also asked what amount was given for training for survivors.
- Johnston responded that the investigation was done months ago. They explained that the investment of \$14,000 was a decline from the previous years' budgets.
- Della-Vedova asked about the accessibility stage grant of \$25,000.
- Johnston responded that they over-estimated this due to the exchange rate as they aren't sure where the dollar is but it's \$18,000 USD and is a fully compatible AODA ramp.
- Au-Yeung asked if there were ramping up student recognition night compared to this past year and if spending was around \$10,000 last year. Au-Yeung ceded the rest of their time to Johnston.

- Johnston responded that it was around \$10,000 invested. This wasn't an accurate reflection of year end and they'll be able to see the numbers once the fiscal year has wrapped up. Johnston explained that they did spend the \$10,000 this year for SRN, as well as the holiday party thrown for services and volunteers in December.
