Past Events, Projects, & Activities

- Hosted a study session via discord server for all SocSci students
- Working on revamping of Instagram
 - o Reorganizing highlights and developing themes/colours

Upcoming Events, Projects, & Activities

- Developed a study session schedule for online studying using the Discord server
- Looking into what other events we will be able to host on the Discord server

Outreach & Promotions

- We have used our platform to update students on activities related to the Social Science faculty as well as general McMaster updates
- We have highlighted the SRA meeting recap to update students on what we talk about during SRA meetings
- Planning to make a post on Black History Month

Successes

- After posting on our Instagram page, we've gained more followers

Current Challenges

- Despite promoting our study session on our Instagram and on the MSSS Discord server, no one showed up. We may have to develop other strategies to increase turnout.
