MEMO

From the offices of the...

Editor-in-Chief & MSU President

TO: Student Representative Assembly
FROM: Andrew Mrozowski & Denver Della-Vedova
SUBJECT: *The Silhouette* Board of Publication Operating Policy Update
DATE: February 2, 2022

To The Student Representative Assembly:

At the recommendation of the Campus Media Ad-Hoc Committee, we have updated The Board of Publication operating policy. Many of these changes are due to the recommendation to reorganize the *Silhouette* to include a new full-time staff member to provide long-term support for the service — a criticism that past and current *Sil* student-opportunity position Editor-in-Chief has complained about the service.

There are also very small grammatical changes that we are also proposing in order for the Operating Policy to best reflect the board that governs the *Silhouette*.

Please note that this Operating Policy can only be changed if *The Silhouette Operating Policy* is approved.

All proposed changes have been approved *the Silhouette* Board of Publication

If you have any questions about the recommend changes, please do not hesitate to reach out to us, eic@thesil.ca or president@msu.mcmaster.ca.
