Dear Executive Board,

On Thursday, March 3, 2022 the Sponsorship and Donations Committee met to review various applications that we received. We were able to both reach quorum and a mutual decision. In this deliberation, the decision was as follows:

- 1) \$180 donation to individuals who would be attending the Arts & Science Formal at the end of March. This formal has already received a donation from the MSU of \$100 for the event. After discussion with the organizer of the event, Jerry Miller, about aiding individuals to attend the event, Jerry compiled a list of individuals who would require subsidization of their ticket prices to adequately attend the event. Of the \$180 donation provided, \$60 will go to Adeola Egbeyemi, \$60 will go to Caitlin DeMello, and \$60 will go to Caroline Bredin. Each of these three individuals were viewed to be of financial need from the Sponsorships and Donations Committee in their application.
- 2) \$180 donation to the SCI-BIT Initiative, which will be occurring on March 26<sup>th</sup>, 2022. The goal of this event is to share the importance of science communication with undergraduates from all degree backgrounds, putting a spotlight on crucial but often overlooked aspects of the study of science. This request is from a full-time undergraduate student, Ahmed Irshad, who will use the funds to cover honoraria for speakers, a raffle draw, and a prize for the workshop.

This is the seventh time this year that the Sponsorship and Donations Committee is making a recommendation to the Executive Board and the sum of these recommendations is \$360. As such, should the recommendation be approved, the fund will now sit at \$6,840 to be used throughout the remainder of the year.

Thank you,
