Dear Members of the Students Representative Assembly,

I hope you have all been having an eventful semester so far! Throughout the past 2 months, the Finance Committee has been working through multiple initiatives, in which I am excited to share the progress of.

## **Upcoming Events, Projects, & Activities**

- 1) **Financial Transparency Week 2:** The Finance Committee has pushed back Financial Transparency Week 2 to the week of March 14 to March 18. This week will operate under a fully virtual format. We will be releasing a feedback form with a gift card incentive to students, explaining the MSU budget planning process, and promoting the \$10,000 sponsorships and donations fund available during this week.
- 2) **Bylaw 9 Group Updated Spending:** The Finance Committee is only waiting for Engineers Without Borders and Incite Magazine to send their updated spending and documentation before the updated spending review is complete.
- 3) **Welcome Week Cost Review:** I am currently following up with MSU Campus Events to compile a list of the costs that were incurred for the past three Welcome Weeks. This way, we will be able to analyze elements from a fully in-person, fully virtual, and hybrid Welcome Week to provide our recommendations.

## **Successes**

- 1) **Bylaw 9 Group Updated Spending:** OPIRG, McMaster Solar Car, and McMaster Marching Band have submitted their updated spending and required documentation (i.e. invoices of spending). There are currently no issues with the submitted spending.

## **Current Challenges**

None!

## **Volunteers (Standing Committees only)**

I wanted to provide my continual thanks to the volunteers on the Finance Committee this year. Mohammedasan, Nick, and Craig three have helped enormously in creating the feedback form that we hope to utilize to gather student feedback for future MSU initiatives!

There are no volunteers on the Sponsorship and Donations Committee.

Regards,
