Progress on Year Plan

- Health Sciences Lounge
 - Received preliminary approval for funding from the SRA Special Project fund
 - Currently working with BHSS organize how changes to lounge will be implemented
- Moratorium on Major Assessments Following Reading Week
 - Met with Kim Dej to propose moratorium on major assessments after reading week.
 - Will be meeting with Stacey Ritz, Tracey Prowse, and Lynn Armstrong to formalize the plan, gather endorsements and officially propose before the Associate Deans Group
- SRA Health Science Election
 - Hosted a SRA Health Science Info Session to answer questions about the role, responsibilities, and differences between SRA and BHSS.
- Menstrual Health Equity Project
 - Special thanks and congratulations to all those working on the menstrual health equity project on getting SLEF approval for the project!

Past Events, Projects, & Activities

- Met with the Kim Dej about the Reading Week Moratorium
- Received approval for Menstrual Health Equity Project and Health Science Lounge
- Hosted SRA Health Sci Info Night
- Finished designated sections on policy papers for Off-Campus Housing and Academic success

Upcoming Events, Projects, & Activities

- Further communicating with AVP Finance about using the SRA Special Projects Fund for the Health Sciences Lounge Upgrade

- Meeting with Dr. Kim Dej, (Acting) Vice-Provost to discuss the implementation of a moratorium on major assessments following reading week

Outreach & Promotions

- Led online promotional campaigns to promote the SRA Health Sciences election to faculty members.
- Answered questions on SRA Instagram pertaining to the election
- Promoted the election in front of HTHSCI 2FF3 in person class

Successes

- Maintained strong connections with the BHSS execs and facilitated our first collaborative project.
- Gathering the support for the Reading Week Moratorium from university representatives

Current Challenges

- Coming up to the end of the semester, there are several things we want to finish before our term ends :)
- Many stakeholders involved in our projects are quite busy, so it has been hard to find time to collaborate.

Best,
