Moved by Anderson, **seconded** by Tse that the Full Members of the Corporation approve the 2021-2022 Capital and Operating Budgets, as circulated and presented.

- Anderson went over the budgets with the Full Members.
- Tse stated that Anderson would be happy to take any questions from the Assembly.
- Noble asked what Shortstop was. Noble ceded their time to Anderson.
- Anderson responded that it used to be a business unit the MSU had and that it was still listed on the budget for historical tracking. Anderson stated that in the capital budget most of the allocations approved last year were carried over to this year due to purchases not being made.
- Noble stated that they saw that clubs wages were budgeted for \$70,000 but the projection was \$55,000 for the end of the last fiscal year. They asked what the \$15,000 would cover and if it would go above the projected amount. Noble ceded the rest of their time to Anderson.
- Anderson responded that there were government subsidies to cover salaries of some full-time staff due to COVID.

2. Approve the expenditure of items from the 2020-2021 Capital Budget

Moved by Anderson, **seconded** by Noble that the Full Members of the Corporation approve the expenditure of the capital requests in the 2021-2022 Capital Budget, as circulated.

- Anderson stated that they do need to approve the allocation and then the expenditure. They explained that most requests were carried over from the previous year and that the vast majority included the replacement of computers that were now out of date. They added that Campus Events needed computers and technology to be able to continue to do their streams and events online.
