Past Events, Projects, & Activities

Continued collaborating with McMaster University Kinesiology Society President to facilitate events that enhance students' life. Baig has been consistently attending meetings weekly and increasing the relationship between myself and executives. She has promoted various events on SRA socials.

Upon joining the Internal Governance committee, Ohayon consistently attended weekly meetings and successfully reviewed current MSU policies, while actively providing her input. She also acted as part of the Awards committee in deciding the recipients of the Honour M Award and the MSU Spirit Award. Ohayon has further reached out to the BoD and VP Administration to enhance anti-harassment training for incoming SRA members.

Baig filmed an Instagram takeover with McCauley for the municipal affairs committee and worked with the UA committee on programming for return to in person exams. She also worked on recommendations made to Dr Kim Dej about alternate methods of testing.

Upcoming Events, Projects, & Activities

Outreach & Promotions

Increased social media engagement between the SRA and the Kinesiology faculty to boost awareness of services offered by the MSU. Also posted about various on-campus events and activities. Actively promoted MSU presidential election advertisements on Instagram.

Emailed professors to post avenue announcements for the elections.

Current Challenges

Did not receive any nominations for next year. Currently in discussion with next year's Kinesiology Society executives to ensure adequate promotion during the by-election.

Other

Just wanted to say that we are exceptionally grateful for the opportunity to be on the SRA and work with an amazing team of students and staff. We wish the incoming SRA a smooth transition and successful acclimatization to their positions.

Best,
