From the office of the...

Clubs Administrator

TO:	Members of the Student Representative Assembly
FROM:	Nardos Tedros, Clubs Administrator
SUBJECT:	2022-23 Clubs Ratification
DATE:	July 12th, 2022

Dear Assembly,

The MSU Clubs Department is happy to suggest **forty-nine (49)** new clubs and **two hundred and sixty-one (261)** returning clubs for ratification and official MSU recognition at this time. These **three hundred & ten (310)** student groups have all successfully completed their respective application process and have demonstrated a unique passion for serving our community.

I strongly believe that these **three hundred & ten (310)** clubs will enhance student life at McMaster and within the Hamilton community in the 2022-23 academic year.

Below, you will find the **three hundred & ten (310)** student groups which I am recommending to the SRA for MSU club status. In reviewing this list, please note:

- (1) official recognition of all clubs is conditional, pending satisfactory completion of clubs training;
- (2) a brief description for each new and returning club is noted on each list to inform you of their mission/goals;
- (3) all clubs listed have completed and submitted all supporting documents for club ratification followed by our documentation of these items made mandatory for their ratification

McMaster University maintains one of the largest and most diverse club departments in the country. Our continual commitment to this department empowers student voices, fosters student success, produces entry points for leadership on campus, creates space.

The MSU Clubs Department's annual Clubsfest event providing clubs the opportunity to meet MSU members and grow membership will take place in September and approval of these clubs will enable clubs to continue this MSU tradition and build student and community life both on and off campus.

Should you have any questions, concerns, or require any clarification, please do not hesitate to contact me.

Best,

Nardos Tedros
Clubs Administrator
