Progress on Yearplan

Selected the Services to be reviewed: Maroons, PCC, SWHAT, and Macademics

Reasons for selecting these services:

- It has been a while since Maroons and PCC have been reviewed
- SWHAT is returning to their full operations after the COVID-19 pandemic hiatus
- Macademics has had Student Recognition Night awards added to their purview

Past Events, Projects, & Activities

- Introduced myself to Services Committee, explaining the role and expectations moving forward
- Met and introduced all PTMs of the services to the service review process, addressed any questions from their executive team, the timeline moving forward etc.

Upcoming Events, Projects, & Activities

- Beginning formulation of survey questions through meetings with service PTMs and their executive teams
- Planning prizes to be awarded for surveys
- Completing more external research into similar services at other Ontario undergraduate student unions

Outreach & Promotions

- Will discuss survey promotions soon with Marketing Director

Successes

- Cooperation from all the service PTMs with scheduling our meetings and investing their time into the service review process
- Met the services committee meeting

Current Challenges

- None, possibly only scheduling meetings amidst a busy school schedule

Volunteers

- None — looking forward to working with this committee! They took time out of their summer schedules to meet and have the first services committee meeting, so I appreciate their time.

Best,
