Research for the upcoming Budget proposals has begun, and generating new list of contacts. Municipal elections planning is complete (spear headed by Vice President (education) and Executive board).

Upcoming Events, Projects, & Activities

The MA committee is currently being organized to start work. We have our first meeting next week. MA committee members have been offered opportunities to volunteer on Municipal elections and OUSA Fall.

Outreach & Promotions

All promotional material related to elections is being spear headed by executive board. Outreaching to new organizations that the MA portfolio hasn't historically worked with such as SWAP and SACHA has begun. Continuing to serve on the Hamilton Youth board.

Successes

Youth Strategy has passed at the city of Hamilton (carry over from last SRA term portfolio) and continuing to consult on the youth strategy.

Current Challenges

Organizing the new MA committee structure, I want everyone to have a specific role and project to on take, but this hasn't been decided yet.
