SUBJECT: OUSA Fall 2022 General Assembly Report
DATE: November 8, 2022

Dear Members of the Assembly,

At the end of October, from October 27th to October 30th, I had the pleasure of bringing 9 delegates to Sudbury to participate in OUSA's Fall 2022 General Assembly (GA). (We had one delegate online.) This was our first GA back in person after 2 years of virtual GA's. At GA, the MSU delegation alongside other OUSA member schools discussed three policy papers that were brought forward: Tuition, Student Entrepreneurship, Employment, & Employability, and Ancillary & Incidental Fees. All three papers were passed at Plenary on the final day of the conference.

The delegates participated in breakouts for all the papers that were brought forward throughout the weekend. They worked with other student union delegates to contribute to discussions for policy paper edits. The MSU delegation worked together to bring forth amendments to the plenary floor as well.

The MSU delegation also had the opportunity to network with our executive counterparts as well as their delegations. It was a great weekend full of rich discussion that will positively influence all students. I look forward to working with other OUSA member schools to strive towards achieving these recommendations. I highly encourage all students passionate about advocacy to apply to be a delegate for the spring term.

Best,

Elizabeth Wong
