Engineering Caucus

TO: Members of the Student Representative Assembly
FROM: Aniruddh Arora
SUBJECT: SRA 22L Report
DATE: 10th January 2023

Progress on Year plan

- Negotiating with Engineering faculty to improve opening hours for Hatch Centre.
- Actively promoting and finding solutions for increasing library hours is also underway.
- Continued social media engagement.

Upcoming Events, Projects, & Activities

- Meet the SRA:
 - o An event where students may have an opportunity to meet the current SRA and express any concerns or questions, they may have about the MSU. (Potentially a recurring event in the future)
 - o Highly focused on collaboration with other faculties and caucuses.
- Collaboration with Science caucus for their housing initiative and Success Stories workshop if possible.

Outreach & Promotions

- Outreach to Engineering faculty to discuss how we can increase working hours for the hatch center.
- Social Media engagement has increased along with students reaching out for questions about MSU events.

Current Challenges

- Programming the Meet the SRA event with collaboration of other caucuses and faculties.
- Organizing the current and new members of the caucus for our current objectives.
- Improving outreach to collaborate with other faculties to increase frequency of SRA events.
- Finding more ways to integrate more Engineering Clubs within MSU.
