

REPORT

From the office of the...
First Year Council

TO: Members of the Student Representative Assembly
FROM: Kyle Sung, Chair, First Year Council
SUBJECT: SRA 22N Report
DATE: February 10, 2023

Upcoming Events, Projects, & Activities

We are currently looking to plan and execute events such as Coffee Houses (tentative last week of Feb), Wellness Campaigns (Early Mar), Club Nights (Late March), and a “Life After First Year Campaign” (Early April). We are also considering two residence / off-campus events in March or April (each to be decided and planned by the residence chairs).

We are also continuing to meet with various departments and committees of McMaster such as residence life and hospitality services.

Outreach & Promotions

Promotion of FYC is currently happening with several initiatives. We recently took headshots of which to be promoted alongside FYC awareness initiatives. We are looking into FYC merchandise. In addition, we are looking to continue to advocate for and represent the concerns of first years.

Current Challenges

We are currently working to streamline logistics and reconsider our plans and goals as we move into the new year, to work with first years, for first years, the best we can.

Successes

As aforementioned we have began our campaign of outreach and advocacy and we look forward to continue representing the concerns of our first years. In addition, we have began a discussion with the Director of Coop in the Science Faculty as well as the Chair of the Math and Stats Department about coop options for more programs and we intend to continue reaching out to others about this.

Best,

Kyle Sung
