### Introduction

Dear Members of the Assembly & Committee Chairs,

There have been (3) General Assembly Planning Committee meetings in the past two months. We have discussed and finalized details surrounding General Assembly 2023. Listed below are the main points discussed during meetings:

- GA will be happening in person Wednesday, March 29<sup>th</sup> from 2-6pm EST, at the Burridge Gym .
- Students must register by 5pm on March 27<sup>th</sup>; forms for registration and motions will be up shortly, along with graphics being circulated.
- Motions must be submitted by March 22<sup>nd</sup> at 12pm.
- Sign in will start at 2:30pm, where students will verify themselves with their MacID and student number.
- Logistically, voting on motions will happen through Microsoft Forms, as we are able to open and close voting promptly.
- Each form will be password protected in order to ensure that only students who registered have voted; password will be provided before voting.
- Preliminary results will be stated by the Speaker, and official results will be posted on the MSU website.

Best,

Piper Plavins
