Progress on Yearplan

OUSA

- Attended the OUSA conference this month alongside the MSU delegation – where I assisted with PCR re-writes and passing 2/3 Policy Papers
- The policy paper which I co-authored on the behalf of the MSU was passed
- There will be a continuation of the OUSA conference in a virtual setting to pass the last policy paper
- Now working on the body text as the PCRs have been passed for the Student Accessibility and Disability Inclusion Paper

Building Stakeholder Relations

- Currently creating a framework for two lobbying letters for our local MPP and MP to advocate for causes and policies important to MSU students which will in turn enhance their university experience – need to show committee for approval
- Currently researching into potential guests / collaborators for a weeklong – have created a rough draft of the campaign on tenant rights – will need to submit to underground this week

Past Events, Projects, & Activities

- Finished the Student Financial Aid and Tuition PCRs

Upcoming Events, Projects, & Activities

- Finishing OUSA and MSU body text for policy papers
- Tenant Rights 101 Week

Successes

- MSU paper passed out OUSA
- PCRs completed for MSU policy paper

Volunteers (Standing Committees only – delete if a Caucus)

- Currently no big challenges present; OUSA has been a big priority so looking forward reconnecting with committee to finish off year end projects and get their feedback on policies
