### **Progress on Year Plan**

- Not much to update from our last report period at 22P!

### **Past Events, Projects, & Activities**

- As the winter semester comes to an end, The Grind will close and so our composting will be put on pause, to continue in the fall!

### **Upcoming Events, Projects, & Activities**

- Mental health awareness day initiative on March 28th from 8:30am - 12:30pm in the MUSC atrium
- Looking to welcome final caucus member for the 2023-2024 year

### **Successes**

- Despite a less than ideal start to the year, finished the year with a full caucus and completed initiatives re: mental health and sustainability
- Renewed our connection with the MHS and will see more collaboration moving forward
- Upped engagement on our instagram and will continue to develop into next year

### **Other**

- Big thanks to the SocSci caucus for helping us with our mental health initiative this upcoming Tuesday!
- Biggest thank you to Paige and Olivia, I'm proud of the work we did and I'm so excited to see what you accomplish next year :)

Best,
