

REPORT

From the office of the...

Humanities Caucus

TO: Members of the Student Representative Assembly
FROM: Paige Hannan, Olivia Dodd
SUBJECT: SRA 23G Report
DATE: September 23, 2023

Progress on Year Plan

- Caucus meetings underway with new scheduling information available concerning members and partners

Past Events, Projects, & Activities

- Welcome Week outreach was a success, canvassed with first years to search for a new member, promote our caucus as a forum for feedback and share contact methods, especially Instagram

Upcoming Events, Projects, & Activities

- We are excited to begin talks with the McMaster Humanities Society to determine how we continue to foster the relationship that was established last year, especially attending their general meetings
- As per our year plan, we are hoping to commence our partnership with Stop Sprawl to engage students in environmental wellness - potentially looking for cross-caucus and student collaboration
- Looking to welcome final caucus member for the 2023-2024 year

Other

- Working to establish drop-in biweekly office hours where Humanities constituents can bring ideas and concerns forward to us
- Looking forward to the October by-election, where we can hopefully inspire multiple candidates to run for our third seat! We will be using our Instagram to promote this in the coming weeks

Best,
Paige Hannan
