SUPPORT OUR VENTURES TODAY

EWB Hill Day

It's a fantastic opportunity to push for political action and change related to EWB's Policy asks, particularly

- ✿ Day 1: Explore Ottawa and start networking.
- ✿ Day 2: Engage in learning sessions about our Policy asks, get training for meetings with MPs, and hear from inspiring keynote speakers.
- ✿ Day 3: Meet with Members of Parliament and join a parliamentary reception in the evening.

The Day on the Hill conference has been making waves since 2011, connecting policymakers and dedicated EWB volunteers. It's an opportunity to meet with over 50 Members of Parliament, network with fellow attendees, participate in informative sessions, and gain insights from keynote speakers.
