Dear SRA,

After carefully reviewing and engaging in insightful discussions regarding EWB's budget and responses to our inquiries, the Finance Committee is delighted to express our unwavering support for the approval of EWB's budget for the upcoming 2023-2024 school year.

In light of our comprehensive evaluation, we wish to put forth the following thoughtful recommendations:

**Strengthening Non-Student Levy Revenue Streams:** It is our earnest suggestion that EWB takes deliberate and concerted efforts to fortify the stability of their non-student levy revenue sources, ensuring their consistent annual inflow. While we acknowledge the commendable efforts made to secure funding from the MES, we harbor the belief that even greater endeavors could be directed toward securing a more substantial allocation of funding from the Faculty of Engineering. This would not only enhance EWB's financial resilience but also serve to further their shared interests and goals with the Faculty.

In conclusion, the Finance Committee is genuinely gratified by the dedication and commitment demonstrated by EWB thus far.

Thank you,  
Maheera Choudhury
