Dear members of the SRA,

I trust you are all surviving another treacherous season of school in the wonderful Canadian cold. On the bright side, only 28 more days until Christmas!

### **Past Events, Projects, & Activities**

MA Committee has met once to go over the Municipal Affairs Portfolio and projects coming up through the year, such as the pre-budget submission, advocacy goals, events, and outreach.

### **Upcoming Events, Projects, & Activities**

The upcoming project is Explore Hamilton, which is a passport-guide to explore spots in Hamilton (cafes, businesses, restaurants, activities, etc). This is a collaboration with the PFA committee and we hope to have an atrium event to launch the project in the winter semester.

### **Successes**

The MA committee has finally met and will be collaborating with the PFA committee to host a bigger event to encourage municipal engagement by exploring Hamilton.

### **Current Challenges**

Me personally? Not a fan of the cold when I step out the door in the morning to go to campus. In terms of the MA committee, getting the committee up and running in person has been a challenge. I'm hoping to do a committee social for the next meeting to meet all committee members.

Best,

Kerry Yang
