

REPORT

From the office of the...
Social Sciences Caucus

TO: Members of the Student Representative Assembly
FROM: Zimo Wang, Social Sciences Caucus Leader
SUBJECT: SRA 23K Report
DATE: November 26th, 2023

Since delivering our previous report at SRA 23H, the Social Sciences Caucus has maintained active engagement with the McMaster Social Sciences community. Our participation in key events, such as the McMaster Social Sciences Society (MSSS) Fall General Assembly, the University's Fall Preview, and various faculty and MSSS-hosted community gatherings, has been a focal point of our efforts.

Upholding tradition, our caucus's attendance at the MSSS Fall and Winter General Assemblies stands as a cornerstone event, providing a prime platform to interact with the MSSS leadership, executives, and the broader student body. This year, we were honored to accept MSSS's invitation to the Fall General Assembly on Wednesday, November 22. The event afforded us the opportunity to introduce the caucus members, outline our plans for the year, detail forthcoming events, and voice our eagerness to collaborate with MSSS in the upcoming Winter 2024 term.

The Faculty of Social Sciences curates an array of special events throughout the academic term, including engagements with guest speakers. Our presence at these gatherings not only raises awareness of the SRA Social Sciences Caucus but also allows us to highlight the services and advocacy efforts of the MSU.

In the digital realm, our social media platforms are vigorously active. We diligently post updates and re-share news pertaining to MSU, in addition to promoting MSU Service events. Furthermore, we have made concerted efforts to reach out to program administrators within the Faculty of Social Sciences, advocating for the filling of vacant MSU seats for Standing Committees and SRA.

If you have any questions, please do not hesitate to contact me.

Best Regards,

Zimo Wang
SRA Social Sciences Caucus Leader
Member of Executive Board
