## **Progress on Year plan**

Heading into the second semester of the school year, we are on track to finish! We are also starting to create a new policy review schedule that all new AVPs will follow in the future.

## **Past Events, Projects, & Activities**

Past projects since the last report:

- OUSA/Bylaw 10: Approved
- Bylaw 3: Approved

## **Upcoming Events, Projects, & Activities**

Upcoming Bylaws and Operating Policies we will be reviewing in the next weeks/updates on current ones:

- OP: Marketing and Communications Department
  - Reviewed by us, waiting for external suggestions
- OP: Education and Advocacy Department
- OP: Role of the MSU In Federal, Provincial, & Municipal Elections
- Bylaw 8: Policy Approval Process
- OP: Key Access Protocol
- OP: Role of the MSU In Federal, Provincial, & Municipal Elections

## **Successes**

I am very happy that the past two policies we worked on were approved!

## **Current Challenges**

During the last month of school, we faced the challenge of not being able to meet with people who will provide suggestions and insights on OP and Bylaws pertaining to them. We hope that this new semester and year will allow us to get back on track!

## **Volunteers**

With all spots filled in the IG Committee, the volunteers/committee members provide unique insights and valuable discussion to each Bylaw or Policy we review. As the AVP, I'm extremely lucky to foster a committee where this discussion is heard, and members have an opportunity to make a large impact within the McMaster community.

Kind regards,
