

REPORT

From the office of the...
Health Sciences Caucus

TO: Members of the Student Representative Assembly
FROM: Kerry Yang, Cloris Su
SUBJECT: SRA 23M Report
DATE: January 21, 2024

Progress on Yearplan

BHSc Lounge and TA Feedback: We look forward to reaching out to our Assistant Dean and/or Program Manager via email soon to request a meeting to discuss these two initiatives and ask for updates and tips for next steps.

MUSC Maintenance: We will be starting the amenities' reviews in this month, and look forward to collaborating with ArtSci on this project! Please feel free to reach out if your caucus is also interested in joining the team.

Past Events, Projects, & Activities

No past events to report as of the last period due to exams and holidays.

Upcoming Events, Projects, & Activities

SRA Office Hours: We have decided to host biweekly office hours between 8pm and 9pm on Wednesdays as of next week. This will be advertised on our Instagram page and we hope it will provide BHSc students with a place to ask questions about functions and opportunities within the MSU, provide feedback, or ask questions about our year plan initiatives.

Inter-faculty event: We look forward to collaborating with the Science Caucus and the McMaster Undergraduate Research in Science Association (MURSA) for a research event! Meetings have begun and a plan is in the works; we hope to report details and outcomes during the next report period.

Mills Silent Study Space Collab: We have decided to join the ArtSci Caucus on this project, and hope to reach out to the library staff soon, stay tuned for details!

Outreach & Promotions

Engagement has taken a dip over the past month due to exams and holidays, but we look forward to connecting more by promoting the upcoming Presidential Elections and AVP hiring.

Successes

Looking forward to collaborating with Science and ArtSci!

Current Challenges

Lack of engagement on social media, but we hope to boost morale by sharing more Services' posts and starting our office hours later this month.

Both Kerry and I have also not been able to attend BHSS meetings as regularly due to schedule conflicts, but we stay updated with events in the group chat and promptly answer any MSU-related questions in that space.

Kind regards,

Cloris Su and Kerry Yang
