

REPORT

From the office of the...
Elections Department

TO: Members of the Student Representative Assembly
FROM: Brenda Lin, CRO; Dalia Zubashev, DRO
SUBJECT: SRA Seat Allocation 2024
DATE: February 16, 2024

Dear Assembly,

The purpose of this memo is to note the 2024-2025 SRA Seat Allocation. We have calculated each academic division according to the formula provided by Bylaw 3, Section 9.3.2.

This report was meant to be circulated to the Assembly before January 31. Please note that Elections had recently found out that the way we received our information by the University had apparently changed in terms of utilizing certain parameters for determining eligibility for running in MSU Elections. We felt that this did not necessarily accurately reflect proper representation numbers, within the academic divisions, with their query searches.

The Elections Department worked hard with the Registrar's Office to get this completed, with the correct information, in a timely fashion. With that being said, the numbers that we have calculated are correct and final.

Below is a chart outlining the number of students currently in each division and the updated allocated seats for the 2024-2025 SRA. The current total membership is 25,685 full-time undergraduate students.

Caucus	No. in Division	Total Seats
Arts & Science	284	1
Business	3389	4
Engineering	6457	7
Health Sciences	1211	2
Humanities	2078	3
Kinesiology	880	2
Nursing	542	1
Science	6983	7
Social Sciences	3861	4

If you have any questions or concerns, please let us know!

Best,

Brenda Lin, CRO
