Progress on Year Plan

It has been a wonderful and productive year with the Internal Governance Committee. For the most part, everything I set out to be completed has been done! There are just some loose ends to be tied up over the next month.

Past Events, Projects, & Activities

- OP: Education & Advocacy
 - Being brought forward and hoping to be approved by you!

Upcoming Events, Projects, & Activities

- OP: Role of the MSU in Elections
 - Completed but waiting on correspondents from the University. There are some changes that require information from them!
 - Goal is to have brought forward to the new SRA next month.
- Bylaw 8 -> now an Operating Policy
 - Currently being worked on, will come forward in April or the summer meetings

Successes

We are still set to complete everything that we are supposed to. However, the new SRA will be receiving the last of our documents for approval! They will be receiving the Role of the MSU in Elections Operating Policy, and Bylaw 8 (now an operating policy).

Furthermore, the policy review schedule is finished and ready for the incoming AVP Internal Governance and their committee! It has been edited to only include the documents the committee is responsible for and grouped together based on year of previous review and content.

Volunteers

It has been a privilege and an honor to work alongside the wonderful members of the Internal Governance Committee! I appreciate all the hard work and the great ideas that they have contributed over the past year.

Kind regards,

Piper Plavins
