- Begun asked if Hamilton Bike Share will expand the number of bikes available for students. Pace and Haseeb answered that Hamilton Bike Share would expand the number of stations on campus.
- Hu noted this would be part of the MSU fees and asked what the latest time they would need for a referendum to be passed. Pace and Haseeb answered that they could hold a referendum outside of Presidential elections, but the concern is low student turnout for a single issue.
- El-Kadi stated that currently, there is no signed agreement between the McMaster Students for Bikeshare and Hamilton Bike Share and that there is a slight discrepancy in pricing. El-Kadi added that in order for this referendum to be discussed at the SRA level, ten school days' notice to the SRA is required, as this is outlined in our constitution, meaning that it should have been submitted by the end of November. Pace and Haseeb stated that the deadline for the referendum notice was November 27<sup>th</sup>, 2023 and the presidential election was not announced until November 30<sup>th</sup> and therefore they did not have enough time. El-Kadi understood that they were given an alternative option of having the referendum run alongside SRA elections in March.
