From the office of the...

Vice-President (Finance)

TO: Members of the Executive Board
FROM: Declan Sweeney (VP Finance)
SUBJECT: 1280 Patio Speaker
DATE: July 23th 2024

Dear Members of the Executive Board,

This memo is for the capital purchase & labour involved in the implementation of speakers for the Patio. This item would increase the utility of the outdoor space connected to 1280. This would come at a cost of \$4,000 with an expected lifespan of ten or more years. AvTEK will be taking on the responsibility of set-up & take-down after the patio is closed. I see this as an opportunity to better market the space, having music along with the planned patio entertainment will be a great opportunity to offer an outdoor recreation space which will hopefully increase throughfare to the restaurant.

Best,

Declan Sweeney (VP Finance)
