Progress on Yearplan

The committee met once in the month of August. We introduced ourselves to one another. The focus of the meeting was to outline expectations for the year, as well as expectations as a committee member.

Past Events, Projects, & Activities

We went over Operating Policies and Bylaws surrounding the Services committee. We discussed a timeline for projects that would be worked on throughout the year.

Upcoming Events, Projects, & Activities

We will have our survey questions for Maroons and EFRT completed and sent out by October. In between, we will work on external research. Our first report should be finalized by the end of November.
