

BUSINESS YEAR PLAN

Aisha Mahmoud, Josh Pickering

Fall

- Engage business students in the SRA and MSU.
 - Connecting with Greensuits and FYOP to promote MSU services to first years (Spark, DEN, SWHAT, FCC, WGEN, etc.)
- Social media presence
 - Keep business students updated by sharing agendas ahead of meetings, opening Q&As for feedback, and giving updates after meetings.

Winter

- Connecting with DCS and DeGroot Faculty
 - Collaborate with DCS committees and clubs, such as the DeGroot Law Association, to host roundtables or events for students to talk more about student governance and the skills students can gain through getting involved in the MSU.

Full-Year

- Office hours - One hour a week for each caucus member to host virtual office hours and promote on social media so students can present concerns or ideas they would like us to share with the SRA.
