

REPORT

From the office of the...
Executive Board

TO: Members of the Student Representative Assembly
FROM: Larissa Long, Member of the Executive Board
SUBJECT: SRA 24G Report
DATE: Thursday, September 19th, 2024

Hello there fellow SRA!

Since our last Executive Board report, EB met on Thursday, September 19th, 2024. We met to discuss a few topics, as well as pass a few motions.

Sponsorships & Donations

Executive Board approved a \$250 sponsorship for the Gujarati Students Association (Mac GSA). This sponsorship is targeted specifically towards a garba event celebrating Navaratri. This event will bring together students from various universities to celebrate this event.

TwelvEighty Updates

EB also approved updates to TwelvEighty capital expenditure that will help replace old outdated equipment, namely the line fridges. This will help prevent costly repairs, which have been taking place throughout last year.

Mac Bikeshare & Opt-outs

Bikeshare has launched, and is very popular! (I ride my SoBi bike everywhere). Opt-out for this will be available until the end of September. There will be a financial awareness day on September 27th with different opt-out groups (ie. Health & Dental, Bikeshare, and OPIRG) to inform students on fees that can be opted out from.

Our next meeting will be next week, on Thursday, September 26th, 2024.

If you have any questions, I am more than happy to discuss them.

Take care,

Larissa Long, Executive Board, SRA Health Sciences
