From the office of the...

Humanities Caucus

TO: Members of the Student Representative Assembly
FROM: Rachel Black, Olivia Dodd
SUBJECT: SRA 24G Report
DATE: September 17, 2024

Progress on Year Plan

- One of our important initiatives this year is to integrate the Bounce platform with program societies and other faculty organizations
 - Club onboarding recently began, and Rachel is acting as a liaison between the McMaster Humanities Society and Bounce to help them fully onboard and troubleshoot
 - We are in the works of making ourselves available and extending a helping hand to other societies under the faculty
- Promoted First Year Council Elections on our Instagram page

Upcoming Events, Projects, & Activities

- The Humanities caucus first meeting with the McMaster Humanities Society will be occurring very soon (date to be finalized)
- Planning for the Podcast episode will begin within the next few weeks as we are currently settling into classes and other clubs and societies on campus

Outreach & Promotions

- Our caucus will soon begin promoting the upcoming SRA by-election on our Instagram page
 - We will also correspond with the Humanities Society and request that they promote this as well

Current Challenges

- Looking forward to our next by-election in order to have all seats filled in our caucus, and thus all hands on deck!
- Challenging to connect with first-years as many of them are still very new and do not follow our Instagram page

Best,
Rachel Black
