SUBJECT: SRA 24I Business Report
DATE: October 20nd, 2024

Dear SRA,

We hope that everyone has a relaxing break over reading week, and we wish everyone luck during midterm season. Most of our time so far this year has been spent reworking our year plan, and we are just about ready to begin on our goals for the year!

Year plan

After a busy summer, with little time to work on it before the deadline, we found ourselves submitting an underdeveloped year plan. Given the chance to reflect on our plan we decided that the best course of action would be to rework and resubmit our year plan. The new plan should be complete and circulated before the upcoming 24I meeting, and we would love it if everyone took a chance to read it if they have time.

Reaching out to DeGroot Commerce Society

As well as working on our year plan we have started looking into the best way to contact executives from DCS and arrange a meeting to discuss mixed events at 1280. More information about our plans with DCS can be found on our new year plan.

Online Presence

It has been nearly a year since the business caucus Instagram account has been active, and now that we have access to the account, we plan on making posts a lot more frequently. Our current plan is to make a 24I meeting recap post, a post advertising the Bi-Election, and making frequent posts on the Instagram story.

Best,

SRA Business
