

REPORT

From the office of the...

Humanities Caucus

TO: Members of the Student Representative Assembly
FROM: Rachel Black
SUBJECT: SRA 24J Report
DATE: October 29, 2024

Progress on Year Plan

- MHS has officially partnered with Bounce, and we are in the process of onboarding all of our program societies onto the platform
- Promoted Navy Nation Planner applications on our Instagram
- Scheduling AT LEAST monthly meetings with the MHS Executive to maintain contact between the board and our caucus
- Congratulations to Azim for getting elected to fill the empty seat on our caucus! Cannot wait to work with the full team for upcoming plans

Upcoming Events, Projects, & Activities

- Planning for the Podcast episode will begin within the next few weeks as we are getting the newly full caucus on board
- Will be reviewing our year plan with a full caucus, seeing if there is anything that should be added (i.e. initiatives) to allow our new member to be able to put forward his ideas

Outreach & Promotions

- Will be doing office/outreach hours, want to be able to get Azim caught up on the year plan before doing this to ensure that we are all on the same page

Current Challenges

- Similar to last report: Challenging to connect with first years as many of them are still very new and do not follow our Instagram page
 - Will mention this in our meetings with the MHS and hopefully run some collab posts to get our name out there

Best,
