

REPORT

From the office of the...
Vice-President (Education)

TO: Members of the Student Representative Assembly
FROM: Maya Hobbs, Vice-President (Education)
SUBJECT: OUSA Fall 2024 GA
DATE: November 17th, 2024

Dear Members of the Assembly,

On October 24th – 27th delegates from across OUSA member schools attended the 2024 Fall General Assembly at Brock University. The purpose of the General Assembly is to bring together students from across Ontario to participate in setting the direction for OUSA's advocacy efforts.

At this conference, the three policy papers voted on were: Environmental Sustainability, Student Financial Aid, and Responding to the Blue-Ribbon Panel Report. Jazzlyn and I were authors on the Environmental Sustainability paper, and it was exciting to see the paper that we have been working on become an official OUSA document.

Throughout the conference, delegates participated in breakout sessions discussing the papers, listened to presentations about student-led environmental sustainability & student financial aid projects, networked with other student unions, and attended plenary where the three papers were officially voted on.

The next OUSA General Assembly will be taking place in the spring at Waterloo University. The papers for Spring are A Comprehensive Access Strategy and Tech-Enabled Learning.

Best,

Maya Hobbs (she/her)
Vice-President (Education)
McMaster Students Union
