My Platform

4 Key Pillars

(Sinead and I at FacultyFest)

SRA Retreat - Bring back the SRA Retreat in the summer to foster a strong sense of community and partnership among members.

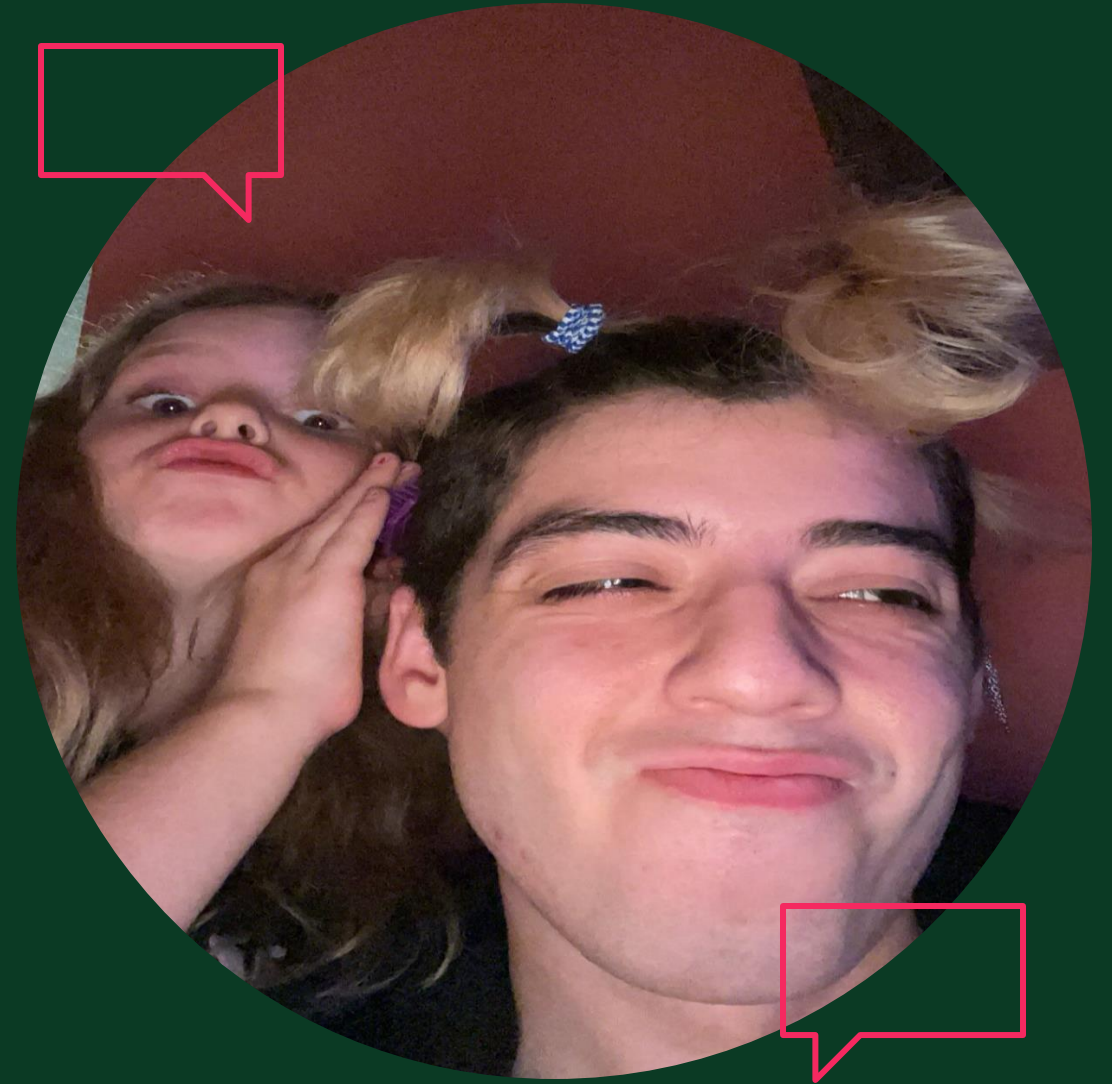

Social Media Enhancement - Unify the SRA message to the student body and build a large base to communicate our work to MSU members.

Merchandise - Bring merchandise responsibility back under the speaker so that you can focus on your Year Plans... while also ensuring you get it sooner than later.

Member Support - I want to be able to support each of you in your goals and initiatives and help make the SRA a little more manageable.

SRA RETREAT

- After extensive consultations, it is time for the Retreat to come back.
- I would love to have a 2-night weekend where we can do a leadership and team building workshop
- With info sessions, and training spread throughout the weekend, it will be both fun and educational
- We have an increased budget this year.
- Let's not forget about FOOOOOOOOOOOD!

SOCIAL MEDIA ENHANCEMENT

- Create centralized home SRA pages
- Grow a strong base and followership in collaboration with the Comms Team
- Publish agendas, post meeting highlights, office hours, other initiatives!
- Experience with growing social media in my role as DRO

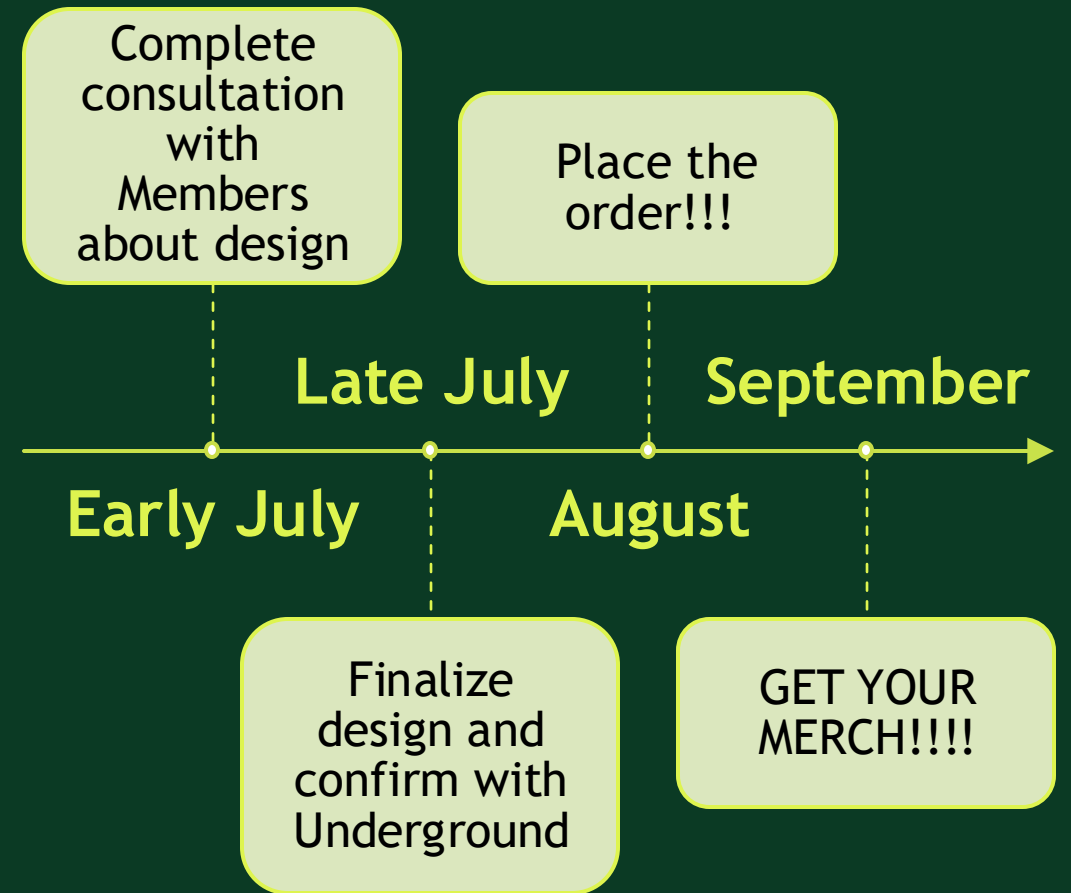

(Promoting in-person polling!)

SRA MERCH!!!

- Bringing that responsibility back under the Speaker so you can prioritize completing your Year Plans
- Experience ordering merchandise as I ordered the Presidential election t-shirts
- Get it in for September... not April! The sooner the better.
